Mr. Gaither:

I am writing this letter to request an extension of six months (180 days) for the closure of our Construction & Demolition Landfill facility. A Closure Plan was prepared in accordance with Section .0510 of the Solid Waste Rules and submitted to NCDENR on June 30, 2008. The Macon County Solid Waste Department seeks guidance from NCDENR on procedures for implementing the Closure Plan, including a notice to proceed with the submitted Plan. The requested extension will allow us to complete closure in accordance with an approved plan, and allow us to reach the spring planting season for establishment of a vegetative cover. A schedule of Closure activities will be submitted to NCDENR upon receipt of a notice to proceed. Thank you for your time and consideration with the extension request.

Sincerely,

M. Chris Stahl

Macon County Solid Waste Director
